Honorable Ernest Y. Martin  
Chair, City Council  
City and County of Honolulu

Mr. Chair:

Your Committee on Executive Matters and Legal Affairs, to which was referred  
Resolution 15-68 entitled: '

"RESOLUTION ADOPTING THE REORGANIZATION PLAN SUBMITTED BY THE  
MAYOR RELATING TO DEPARTMENT OF TRANSPORTATION SERVICES OF  
THE CITY AND COUNTY OF HONOLULU,"

introduced on March 5, 2015 and transmitted by Communication MM-27, dated  
March 4, 2015 from the Office of the Mayor, reports as follows:

The purpose of this Resolution is to initiate a charter amendment pursuant to the Mayor's Executive Reorganization Authority to transfer management of commercial parking structures not attached to buildings or projects run by other agencies from the Department of Facility Maintenance to the Department of Transportation Services effective July 1, 2015. In addition, the proposed charter amendment further removes Section 6-1703.1(d) of the Revised Charter of the City and County of Honolulu (RCH) as a housekeeping measure to eliminate the duty and function of establishing a steel wheel on steel rail transit system from the duties of the Director of Transportation Services. The function of implementing a fixed guideway transit system now resides with the Honolulu Authority for Rapid Transportation under Article 17 of the Charter.
